ANNUAL STAFF

FOREWORD

As the 1951-52 school year draws to a close, the Second Edition of the Carver Eagle appears as a land mark. No staff could hope to give in these pages more than a brief summary of the activities and achievements of years as fruitful as those we have spent at Carver. But, aided by our faculty, who taught us preparedness, loyalty, discipline, cooperation, unselfishness, and devotion, the Staff hopes that what is portrayed here will serve to keep fresh in your minds memories of those wonderful days that are no more and that this volume will help to link Carver High School's glorious present with a splendid past and a bright future.

DEDICATION

MRS. FLORENCE L. PRUNTY

MR. IRVIN CANNADAY JR.
WEST VIRGINIA STATE COLLEGE

THE ANNUAL STAFF AND SENIOR CLASS AFFECTIONALLY DEDICATE THIS, THE 1952 CARVER EAGLE, TO OUR ADVISORS, MRS. FLORENCE L. PRUNTY AND MR. IRVIN CANNADAY JR., WITH THANKS FOR THEIR COOPERATION AND UNDERSTANDING THROUGH THE YEARS. MANY THANKS TO YOU.

PRINCIPAL

MY WORDS TO YOU
CLASS OF '52

As the golden moments of the stream of life rush past us, we find ourselves at the dividing point. You walk through the doors of Carver into a world of many doors. Today, more doors of opportunity are opening for you. My friendly advice is for you to be ready for your opportunity when it comes.

I give my humble thanks that destiny played its part in my life through the passing years in the shaping of your educational experiences. But, the shaping of your lives will be your work. It can be a thing of beauty, or, a thing of shame; for you lay the corner, and add joint to joint, you give the porportion, you set the finish.

Allow not a single day to pass without increasing the treasure of knowledge. Remember, Seniors, that knowledge with understanding and common sense, is wisdom; with method, it is power; with charity, it is beneficence; with religion, it is virtue and life and peace.

Therefore, Class of 1952, it is my sincere wish that your lives be as beautiful as the world our God created. The highest attainment is to be able at all times and in all things to say, "Thy will be done."

Farewell Seniors-go forth and keep everlasting faith.

CLASS POEM

Leaving Carver in Nineteen Hundred Fifty-Two
We the Senior Class leave joy for you.
We did our best to make a name;
In your memory we hope to remain.

In our struggles and troubles we never worried,
Our trials and tribulations we always buried.
May the road of righteousness lead us ever on
In this world where opportunity and freedom was born.

Our willing teachers were always near
To lend us a hand with kindness and cheer;
Our kind principal could always understand
And often came up with a helpful plan.

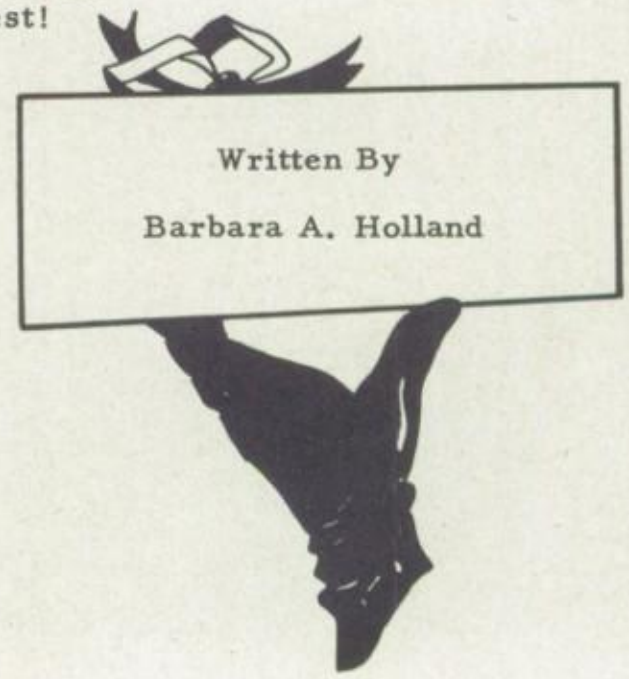
The rules of the school we always obey
Aware that they help us day by day.
Bad language and slang our class put away
Because we think it's not for a student to say.

We never say, "Can't"; there's no such word,
We just try and try until our prayers are heard.
That's why we have such great success;
We know ourselves, but others know us best.

Keep up old Carver with opportunity for all,
Give our praises to the large and small.
To our dear teachers we say "Good-bye",
Fond memories of you will never die.

Although it's now time to say farewell
In our hearts Carver will always dwell.
In memories we're sure to sigh
When we think of the day we said, "Good bye."

Our final words have now been spoken,
Our aching hearts are broken.
With tears in our eyes we leave old C.H.S.
We're proud to say we've done our best!



CLASS SONG

Oh, Carver High School, we love you so,
We hate to leave you, but we must go.
So cheer up and wear a smile,
For our old shadow should last a while.

And our advisors we love so dear,
They tried to guide us when they were near.
So help us to reach our goal
That we may travel a higher road.

Oh, Carver High School, we love you truly
Though in our early years we were unruly
So now, we leave our hearts
Much pain besets us, for we must part.

CLASS HISTORY

The great day of September 7, 1947 arrived and forty-three eighth graders from different sections of the county found their way to Room 203 to be divided into two sections. Mrs. Florence Prunty and Mrs. Janie Williams were our homeroom advisors with Mrs. Williams taking twenty-one of us in her 8th B section, while Mrs. Prunty kept twenty-two in her 8th A section.

The fact that we were a very loud and active class caused some people to think that we would stay that way for the rest of our four high school years. But we were mostly interested in seeing just how high school life was.

In June all of us passed with just three dropping out of school.

When school opened in September 1948, we were divided again into two sections, the 9th A and the 9th B with Mr. William Greene and Mrs. Prunty as our advisors. During this year we became more reserved because we were then officially in high school. To show our progress we gave a grand Freshman Banquet that our girls prepared themselves.

This year brought us other fame, for Juber Preston won the Mister Carver contest and our freshman boys were the champions of the school Intra-Mural Tournament.

Our sophomore year began with the same advisors but a much smaller enrollment. In spite of this, we worked hard because we knew we had to sponsor many social activities the next year. Edith Wiley brought us praise by winning the "Miss Bobby Sox Contest" and many of our boys became basketball conscious.

Our Junior year began with a new president, Arthur Preston, a veteran, who headed our class with much determination. We also had a new advisor, Mr. J.T. Mason, who assisted Mrs. Prunty and our class with plans for the Junior-Senior Prom, May King-Queen Contest, Teachers' Popularity Contest, and other social affairs which proved to be quite successful. Along with these we presented our Junior Play, "The House of A Thousand Thrills" which we enjoyed producing.

We were really proud this year because members of our class were star athletes, trainers, and managers of both girls' and boys' basketball teams, and Juber Preston was captain of the boys' team. Again our boys were champions of the school Intra Mural Tournament.

Although our class has dwindled to twenty-one, we have had a very successful senior year with a new class advisor, Mr. Irvin Cannaday, who has ably assisted Mrs. Prunty and the class in devoting time and efforts to the 1952 Carver "Eagle" which we hope will bring Carver pride. We have been active in all the extra-curricular activities and have held offices in a number of them.
